**Huddle BLOX™ Charging Stations**

**DESCRIPTION**

The *Huddle BLOX™* tables are designed to function as charging stations in your library, coffee shop, lobby or media room. Providing Wireless and USB charging along with AC power lets you connect and charge with room to spare. Have a quick meeting, a study group, or just relax. We have you connected!

The units are offered in two cube sizes and include FSR’s In-Table “Qi” Wireless Charger and a USB power center containing two AC outlets, two USB charger ports on the front of the cube and one USB charger port on the back inside the cube to power the TC-WC1 Wireless Charger. An AC power cord provides power to the cube. Finishes include black, white or maple to coordinate with most environments.
