SYMPHONY Collection
Symphony Clamp-On and Under-Table Boxes

SYMP Table Boxes

Symphony Table Boxes bring elegant form to function. The gentle curved shapes allow for CAT6, 6a or 7 along with AV cables to bulkhead AV connections while maintaining aesthetics in modern interiors. The system provides an attractive user interface while solid construction throughout ensures reliable performance in demanding environments.

Both “Clamp-On” or “Under-Table” styles are offered for table, shelf, or chair mounting.

There are four stock models available with pre-loaded popular connectors selected to satisfy many typical applications. (See ordering table)

On “Assemble to order” units, a very flexible ordering system allows for choice of housing extrusion color, end cap color, and connector insert color. The customer can specify up to five AC outlets, USB charging ports, and low voltage openings that receive FSR Simple Solutions and Hubbell™ keystone style snap in connectors. (See ordering table).

FSR’s Symphony combination USB charging port incorporates power management integrated circuitry to communicate via today’s and legacy protocols to determine the charging requirements for your devices. The built in overload protected, auto-recovery power supply, provides the fastest charging based on the available power to one or both ports.

DESCRIPTION

Elegant Aluminum Design
No hardware visible to user
Compact size
Rated for commercial use
Designed for 2 to 5 Outlets
Up to 2-Dual USB Chargers with full 5V 10W charging capability on each charging port
Up to 2-Dual combination charging ports (USB Type-C and USB Type-A)
Sized to fit Cat-6 and larger cables
Sized to fit HDMI Bulkheads and cables
Multiple color combinations to choose from
Available in Clamp-On or Under-Table styles
Non-marining C-Clamp table attachment with swivel screw tightener
Knurled knob for easy toolless clamping (Clamp models)

FEATURES

• Desks
• Boardroom Tables
• Lecterns
• Control Consoles
• Lab Tables

• Classrooms
• Work Tables
• Huddle Areas
• Multipurpose Rooms

CALCULATING BOX LENGTH

For Calculating Approximate Length of any Symphony Clamp-On or Under-Table Box Assembly:

**“AC” Inserts**
Add 1.5” for each AC Insert
Minimum: 2
Maximum: 5

**“CA” Inserts**
Add 1.5” for each Dual USB Insert
Minimum: 0
Maximum: 2

**“CC” Shown**
Add 1.5” for each Dual USB Insert
Minimum: 0
Maximum: 2

**“SS” Insert Kit**
Add 1” for a Single, Dual or Blank Insert
Minimum: 0

**End Caps**
Add 0.5” for the two end caps

---

**Assemble to Order Model Number Key**

| SYM | xx | xCA/CC | xxxxxxx | A | x | x | xc |

Select Mounting Type:
CL = Clamp-On
UT = Under-Table

Select # of AC Outlets:
Two to five outlets may be selected: 2AC, 3AC, 4AC, 5AC

Select # of USB Chargers:
Up to two: 1CA or 2CA
1CC or 2CC

Select Housing Color:
A = Aluminum
*RD = Red
*YL = Yellow
*BL = Blue
*GR = Green
*BK = Black

Select Insert Color:
B = Black
W = White

Select End Cap Color:
B = Black
W = White

Select Cord AC Length:
6’ = Blank
9’6” = 9

*Line cord color will be matched to end cap color

---

**Examples:**

- **Model: SYM-CL-2AC-1CA-1SS**
- **Model: SYM-CL-4AC-1CA-2SS**
Stock Units
Four popular Symphony Clamp-On & Under-Table table box units are stocked for your convenience. These all have 2 AC outlets, 1 Dual USB charger and come with or without 1 keystone SS insert kit. All units have an aluminum housing with black (ABB) or white (AWW) end caps and inserts.
